A Message from the Commodore

Dear Spring Lake Yacht Club Members,

2011-12 will be another exciting year at Spring Lake Yacht Club. The club is in tip-top shape for the upcoming season and we're looking forward to warm sunny days, competitive sailing, barbecues, fun parties, enjoying the beach, Lean-Ins and the camaraderie of the SLYC family!

We have a phenomenal board this year. These volunteers make the Spring Lake Yacht Club a terrific place to be! Vice-Commodore is Julie Franczek, who is in charge of Membership, wears many hats. Rear Commodore Kyle Verplank is very business savvy and brings experience, expertise and strategy to the table. Peter Fox, Race Committee, does an excellent job keeping the committee intact and races running smoothly. Ken Bandsta is the leader of the financial package. His accounting expertise and dedication are an invaluable asset to the Club! Nikki Hansen is Ken's liaison and is always willing to help with any project. Social Chair Adrienne Hubbard is far ahead of the game and already has an exciting social calendar set in with a budget for each party. Lara Lanka has volunteers lined up for concessions. So be sure to come down and eat lunch on the weekends. David Wolters, Web Design/Membership Co-Chair, does a phenomenal job on our website. Be sure to check it out. He is working closely with Julie on membership. Andy Molesta and Paul Betten, House and Grounds, are well organized and are committed to continuing the maintenance and improvement of our facility. Beth Windemuller, Spring Lake Junior Sailing Association Liaison, is very passionate about making the Yacht Club a friendly place for sailors of all ages. Last but not least - our Advisors. Past Commodore Kevin Haviland is one of the most dedicated Yacht Club members you will ever meet. I often ask Kevin for advice and he is always willing to help. Dawn Veltman is our publicist and advisor, articulating positive publicity for our club wherever and whenever she can.

We encourage families to take advantage of our exceptional sailing programs, expose your children to the wonderful sport of sailing and give them a skill they will enjoy their entire lives. Spring Lake Yacht Club is a great place to learn and grow.

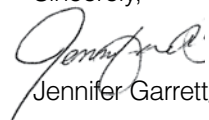

Come on down anytime whether you're a sailor or a social member! This club is yours to enjoy - take advantage of the beach, the grill, sunny days and evening sunsets. Our "Lean-Ins" are one of our club's favorite traditions and follow the conclusion of the day's sailing on Saturday and Sunday. Sailors and social members congregate with B.Y.O.B. and appetizer to pass from about 4 p.m. to sunset. We are continuing Thursday Evenings Family Night throughout the summer. The grill is lit so come down with your family and picnic basket.

SLYC is the ideal spot to host your next social and business events, large or small, by renting our beautiful facility at the discounted member rate. If you have a special event, check out rental information on our website.

We are always looking to increase the SLYC family so encourage your friends to check out our facility and become new members!

I look forward to another safe and exciting season spent at the Spring Lake Yacht Club, where you will create wonderful, lifelong memories and friendships.

Sincerely,

Jennifer Garrett/Commodore
